THE ASSISTANT SCORERS are responsible for recording points earned by each individual wrestler during the course of the match and circling first point(s) scored in the regulation match. As points are earned in a dual meet, a running team score shall be kept following each individual match.

THE MATCH TIMEKEEPER is responsible for: (a) keeping the overall time of the match; (b) recording the accumulated timeouts for injury and blood time; (c) monitoring recovery time; (d) notifying the referee of any significant situation when the match is stopped, or for disagreement by official scorer and timekeeper, or when requested by a coach to discuss a possible error; (e) assisting, when requested by the referee, in determining whether a situation occurred before or after the termination of a period; and (f) when a visual clock is not available, calling the minutes to referee, contestants and spectators and displaying with visual cards the number of seconds remaining in the last minute of the period at 15-second intervals.

SCORING SYMBOLS

In order to provide better consistency in keeping individual match scores, the NFHS Wrestling Rules Committee has adopted a set of scoring symbols to be used by scorekeepers. Properly used, the symbols will provide both coaches and referees a running account of the match being scored. It is important that scorers use only these authorized symbols.
